

Double Decker Tacos

SERVINGS: 10

directions

2.25 lbs lean ground beef
1 1-oz packet of taco seasoning
10 hard taco shells
10 soft taco shells
1 15-oz can of refried beans

toppings of your choice:
cheese, sour cream,
onion, tomato, salsa, etc

ingredients

- Brown your ground beef and drain off the fat.
- Stir the taco seasoning into the cooked meat. Add water if it looks dry.
- Heat the hard shells in the oven according to package directions.
- Heat the soft shells either in the microwave or in a skillet.
- Heat the refried beans either in the microwave or in a skillet.
- To assemble, spread a spoonful (more or less according to your taste) of refried beans on one side of a soft taco shell. Place the hard shell in the center of the beans on the soft shell and fold the sides of the soft shell up the hard shell. Stuff the hard shell with the taco meat and desired toppings.
